

### **Ostomy Clinics (September 06, 2010)**

Contact an ostomy clinic if there are problems with the ostomy wafer adhering or if there are problems with the skin surrounding the stoma. Before scheduling an appointment in an ostomy clinic:

1. A referral from your physician/medical provider is needed.
2. Prior authorization may or may not be needed depending on your insurance company.
3. Ostomy clinic visits are by appointment only.
